## CHARITY EVENT HAVEN OF HOPE: TRANSFORMING SLUM LIVING

Date: 06-09-2018

### Resource Person/ Unit:

- Ar. Monika Yadav
- Ar. Indira Kolli

### Objectives:

- The objective of our charity initiative was to improve the living conditions and the quality of life for slum dwellers by providing them with covered roofs made of sheets.
- This initiative aimed to address the pressing issue of inadequate shelter and exposure to the elements that slum communities often face.
- The overarching goal was to bring about positive change in their living conditions and contribute to their overall well-being.

### Programme/Schedule:

- Venue: Moinabad Mandal

### Participants :

- Total No of students registered 34 and total no of students 34 attended.

### Outcome:

- The charity initiative successfully provided covered roofs to slum dwellers, offering them protection from rain, sun, and other environmental elements.
- The covered roofs significantly improved the overall living conditions within the slum communities, making homes more habitable.
- The charity initiative fostered community engagement and a sense of solidarity among slum residents, as they worked together to install the roofs.
- Improved living conditions can indirectly contribute to better access to education and employment opportunities for slum children and adults.
- Slum dwellers gained a sense of dignity and security through having a proper roof over their heads, improving their self-esteem and emotional well-being.

**Photograph:**

**CONCLUSION:**

- The charity initiative aimed at providing covered roofs with sheets to slum dwellers has made a meaningful impact on the lives of the beneficiaries.
- By addressing the critical issue of inadequate shelter and exposure to the elements, this initiative has improved living conditions, enhanced health and well-being, and instilled a sense of dignity and security among slum residents.
- It highlights the power of community-driven efforts and charitable contributions in addressing pressing social issues and improving the lives of vulnerable populations.
- While challenges persist, the positive outcomes of this initiative underscore the importance of continued efforts to support and uplift marginalized communities.

## EARTHGUARD INITIATIVE: GLOBAL GREEN AWARENESS DAY

Date: 04-07-2018

### RESOURCE PERSON/ UNIT:

- Ar. Monika Yadav
- Ar. Afreen

### OBJECTIVES:

- The primary objective of organizing the Plastic-Free Environment Plantation Celebrations at our college was to raise environmental awareness among students, foster a sense of responsibility for our ecosystem, and take concrete steps towards a plastic-free and greener environment.
- This initiative aimed to inspire students to become active stewards of the environment.

### PROGRAMME/SCHEDULE:

- Venue: JBRAC Auditorium

### PARTICIPANTS :

- Total No of students registered 36.

### OUTCOME:

- The celebrations provided students with valuable information about the environmental impact of plastic pollution and the importance of sustainable practices.
- Through awareness campaigns and activities, students were motivated to reduce their plastic usage, promoting a plastic-free lifestyle.
- The planting of trees symbolized the commitment to environmental preservation, contributing to increased green cover and improved air quality on the campus.
- The initiative brought together students, faculty, and staff, fostering a sense of community and shared environmental responsibility.

### CONCLUSION:

- The Plastic-Free Environment Plantation Celebrations at our college have been a remarkable initiative that goes beyond raising awareness to create actionable change.
- By educating students about plastic pollution and environmental conservation, this programme has inspired a sense of responsibility and commitment to a greener, more sustainable future.
- The celebrations have not only enhanced environmental awareness but have also contributed to creating a college community dedicated to environmental stewardship and sustainable practices.
- This initiative serves as an inspiring example of how educational institutions can lead the way in fostering a deep sense of environmental responsibility among future generations.
