Quality Policy

JBRAC prioritizes excellence in teaching, research, and employability in its core fields of architecture, fine arts, and visual arts. They aim to empower students from diverse backgrounds (rural and urban) to excel in these creative fields.

- **Global Education:** JBRAC wants to prepare students for a globalized world by providing an internationally relevant education.
- **Industry-Driven:** They prioritize creating professionals who are readily employable and well-suited to current industry needs.
- **Collaboration:** JBRAC recognizes the importance of partnerships with both industry and society to facilitate student success and contribute to broader societal advancements.
- **Infrastructure and Faculty:** The university invests in top-notch facilities and talented faculty to provide an optimal learning environment.
- **Teamwork and Effort:** JBRAC emphasizes continuous improvement and collaboration through teamwork and dedicated efforts.

Overall Impression: JBRAC's mission statement conveys a clear vision for a future where their students become successful and impactful professionals in the fields of architecture, fine arts, and visual arts. Their commitment to global education, industry relevance, collaboration, and continuous improvement makes them a promising institution for aspiring artists and architects.

Short Term Goals

1. **Automation of all facilities:** Implement lighting, ventilation, and access control systems that auto-adjust based on occupancy and environmental conditions, library access through online portals.
2. **IT-enabled education facilities:** Expand bandwidth and coverage to ensure reliable internet access throughout the campus & utilize software simulations, virtual reality experiences, and collaborative platforms to enhance learning.
3. **Faculty retention and development:** Organize workshops, conferences, and faculty exchange programs to encourage continuous learning and skill enhancement. Allocate funds and resources for faculty research projects and publications.
4. **Sports facilities and activities:** Create a vibrant sports culture to encourage participation and healthy competition. Dedicate space for indoor games like badminton, table tennis, and potentially a gym. Upgrade the quality of playing surfaces for outdoor sports like basketball, tennis, and cricket.
5. **Eco-friendly campus:** Install solar panels, adopt rainwater harvesting, and minimize waste generation through recycling and composting programs.
